Division of Aging PASRR Update April 15, 2016

Special PASRR Meeting

- For those of you not able to attend past webinars, the Division of Aging (DA) has scheduled an in-person meeting for Tuesday, April 19, 2016, from 1 p.m. to 3 p.m. (EST). The meeting will be held in Conference Rooms B and C at the Indiana Government Center South at 402 W. Washington Street, Indianapolis, IN 46204. Please note that due to construction, there has been a change in the public entrance. Attendees must enter the Government Center South building through the **public entrance located off Senate Avenue rather than Washington Street**. Online registration is available by [clicking here](#). Please note that seating is limited. The meeting's agenda is available on the DA's [PASRR Web page](#).
- Throughout the last few months' webinars, Ascend and the DA have been gathering the great questions you've submitted about the PAS/PASRR redesign. We have worked together to answer these questions and [now have a FAQs document available and posted online](#). We will continue to review your questions and update the document as necessary, so check back often!
- Ascend and the DA have worked together to develop the PASRR Provider and Procedures document. A draft has been sent to our stakeholders (hospital, nursing facility and AAA trade associations) who will work with their members for input. Once their recommendations are received and reviewed, we will finalize the document and make it available online. Thank you in advance for your timely and careful review!
- Watch for the bright yellow postcards being distributed to attendees of various conferences and trainings throughout the state. Labeled, "Indiana's PASRR Redesign Project," they are a good reminder of how to find information on PASRR, and who should begin preparing now for the July 1, 2016, Go-Live! Pick up a couple of extra cards and share with those in your organization who also need the information.

- Copies of the videos and slides from the February and March webinars are now available on [Ascend's Indiana Tools and Resources Web page](#). These sessions provided an overview of upcoming changes, information on the importance of PASRR, and case examples of the changes coming in July. Please share with your colleagues if they were unable to attend either webinar.
- Another webinar is scheduled for Thursday, April 28, 2016, at 3 p.m. EST, that will cover more details and focus on how specific features of the PASRR system will change as of July 1, 2016. [Visit Ascend's Indiana's page to register now](#).
